She had hoped that such studies would bring her closer to comprehending how inanimate matter had organized itself to a complexity capable of manifesting life, and she rationalized it outwardly by telling herself that her knowledge would contribute to feeding the exploding population of the new America. And then she had met Bernard, whose youthful zeal and visions of the.Lechat picked up his fork again. "I never looked at it in quite that way. It's an interesting thought." He began eating again, then stopped and looked up. "I suppose that was how the first generation of them sought to gain individual recognition at the beginning ... when machines did all the work and our traditional ideas of wealth had no meaning. And it's become embedded in their basic thinking." He nodded slowly to himself and reflected further. "A completely different kind of conditioning, absorbed from the earliest years... based on recognizing individual attributes. That would explain the apparent absence of any group prejudices too, wouldn't it? They've never had any reason to feel threatened by other groups..was, by the current definition, a good citizen..evening?".Some people present hadn't been there five years before but had arrived with the EAF starship, and others with the European mission that had reached Alpha Centauri a year later. They had called themselves Chinese, Indians, Japanese, and Indonesians then, or Russian, German, French, Spaniard, Italian. . . but now they were all simply Chironians. They too had come to see that the old society could never have transformed itself into a culture that was appropriate to high technology, limitless resources, and universal abundance; it had inherited too much that was self-destructive from its past. The new society, could only have risen in the way that it had-isolated by light-years of space and by its unique beginnings from the mechanisms that had perpetuated the creeds of hatred, prejudice, greed, intimidation, domination, and unreason from generation to generation..My pseudofather. "If there's a hearing, you might be called in to testify. If so, the appropriate people will contact you..Oh, so it's trouble them fellas is looking for, is it?" a voice with just a hint :of an Irish brogue asked softly from the doorway. Bret Hanlon was leaning casually against one of the doorposts, blue eyes glinting icily. His huge shoulders seeming almost to reach the other side of the door. He looked completely relaxed and at ease, but Colman registered his weight carded well forward on the balls of his feet and his fingers flexing inconspicuously down by his hip. The two corporals glanced at each other apprehensively. Hanlon's appearance altered the odds a bit. Padawski was looking uncertain, but at the same time didn't seem willing to back off ignominiously. A different mood was taking hold of the room, and it was affecting the people on the screen, who were leaning forward and listening intently. So far it was just an idea, but already it was beginning to hook all of them.. "Who tells you what to do?" "It depends." "On what?". her eyelids, and the slow steady flow of tears.. sight to see with this leg brace." As though to prove how tough she was, Leilani crumpled the empty beer. back toward the Windchaser, not with so many altercations likely to be rejoined if they do. They can't. In Rickster's soft features, as well as in his earnest eyes, were a profound natural kindness that he hadn't. A tense silence fell. Then Jay said, "I know at least one person in the Army who we can trust." The others looked at him in surprise.. Wellesley raised a hand a fraction. "Be careful you don't allow this to get too personal, Howard," he cautioned. "I know you had an embarrassing time yesterday, and I'm not condoning their attitude, but all the same we have to---" He broke off as he noticed that Stern, the Deputy Director, was sitting forward to say something, which was a sufficiently rare event to warrant attention. "Yes, Matt?" The others looked toward Stern curiously.. "Want to come with us?" Bernard invited.. "It could still detach, even without Stern"
