We're the ideal location to get for your publication that is called. And now, your time to obtain this guide as on the list of compromises has become ready. Thief and the Woman, The, i. 278.? ? ? ? By thy ransom, (109) who dwellest alone in my heart, In despair for the loss of the

loved one am I. Now the old woman had heard from the folk of the lady who gave alms to the sick, and indeed [the news of] her bounties reached both poor and rich; so she arose and bringing out Selim to the door of her house, laid him on a mat and wrapped him in a mantle and sat over against him. Presently, it befell that the charitable lady passed by them, which when the old woman saw, she rose to her and offered up prayers for her, saying, 'O my daughter, O thou to whom pertain goodness and beneficence and charity and almsdoing, know that this young man is a stranger, and indeed want and vermin and hunger and nakedness and cold slay him.' When the lady heard this, she gave her alms of that which was with her; and indeed her heart inclined unto Selim, [but she knew him not for her husband]. Then said she to him, 'When the king saw him and questioned thee of him, what saidst thou to him?' And he answered, 'I said to him, "This is the son of a nurse who belonged to us. We left him little and he grew up; so I brought him, that he might be servant to the king,"' Quoth she, 'Thou didst well.' And she charged him to be instant in the service of the prince. As for the king, he redoubled in kindness to the eunuch and appointed the youth a liberal allowance and he abode going in to the king's house and coming out therefrom and standing in his service, and every day he grew in favour with him; whilst, as for Shah Khatoun, she used to stand a-watch for him at the windows and balconies and gaze upon him, and she on coals of fire on his account, yet could she not speak. To his beloved one the lover's heart's inclined, iii. 22..? ? ? ? ? v. The Stolen Purse dccccxix. Then he bade fetch the youth and when he was present before him, he prostrated himself to him and prayed for him; whereupon quoth the king to him, "Out on thee! How long shall the folk upbraid me on thine account and blame me for delaying thy slaughter? Even the people of my city blame me because of thee, so that I am grown a talking-stock among them, and indeed they come in to me and upbraid me [and urge me] to put thee to death. How long shall I delay this? Indeed, this very day I mean to shed thy blood and rid the folk of thy prate." Then the king sent for the captain of the thieves and bestowed on him a dress of honour, (142) commanding that all who loved the king should put off [their raiment and cast it] upon him. (143) So there fell dresses of honour [and other presents] on him, till he was wearied with their much plenty, and Azadbekht invested him with the mastership of the police of his city. Then he bade set up other nine gibbets beside the first and said to his son, "Thou art guiltless, and yet these wicked viziers endeavoured for thy slaughter." "O my father," answered the prince, "I had no fault [in their eyes] but that I was a loyal counsellor to thee and still kept watch over thy good and withheld their hands from thy treasures; wherefore they were jealous and envied me and plotted against me and sought to slay me," Quoth the king, "The time [of retribution] is at hand, O my son; but what deemest thou we should do with them in requital of that which they did with thee? For that they have endeavoured for thy slaughter and exposed thee to public ignominy and soiled my honour among the kings." Now the merchant's wife aforesaid, who was the nurse of the king's daughter, was watching him from a window, unknown of him, and [when she heard his verses], she knew that there hung some rare story by him; so she went in to him and said, "Peace be on thee, O afflicted one, who acquaintest not physician with thy case! Verily, thou exposeth thyself unto grievous peril! I conjure thee by the virtue of Him who hath afflicted thee and stricken thee with the constraint of love-liking, that thou acquaint me with thine affair and discover to me the truth of thy secret; for that indeed I have heard from thee verses that trouble the wit and dissolve the body." So he acquainted her with his case and enjoined her to secrecy, whereof she consented unto him, saying, "What shall be the recompense of whoso goeth with thy letter and bringeth thee an answer thereto?" He bowed his head for shamefastness before her [and was silent]; and she said to him, "Raise thy head and give me thy letter." So he gave her the letter and she took it and carrying it to the princess, said to her, "Read this letter and give me the answer thereto." Idiot and the Sharper, The, i. 298.. However, after awhile, one of the women took pity on me and brought me a rag of thin stuff and cast it on me. With this I covered my privities, and no more, and abode awhile thus. Then said I in myself, "The husbands of these women will presently gather together on me and I shall be disgraced." So I went out by another door of the house, and young and old crowded about me, running after me and saying, "A madman! A madman!" till I came to my house and knocked at the door; whereupon out came my wife and seeing me naked, tall, bareheaded, cried out and ran in again, saying, "This is a madman, a Satan!" But, when she and my family knew me, they rejoiced and said to me, "What aileth thee?" I told them that thieves had taken my clothes and stripped me and had been like to kill me; and when I told them that they would have killed me, they praised God the Most High and gave me joy of my safety. So consider the craft of this woman and this device that she practised upon me, for all my pretensions to sleight and quickwittedness.' So he arose and taking his weaving gear, sold it and bought with the price drugs and simples and wrought himself a carpet, with which they set out and journeyed to a certain village, where they took up their abode. Then the man donned a physician's habit and fell to going round about the hamlets and villages and country parts; and he began to earn his living and make gain. Their affairs prospered and their case was bettered; wherefore they praised God for their present ease and the village became to them a home.. Meanwhile, Selim abode with the cook a whole year's space, earning him two dinars every day; and when his affair was prolonged, the cook inclined unto him and took compassion on him, on condition that, if he let him go, he should not discover his fashion to the Sultan, for that it was his wont every little while to entrap a man and carry him to his house and slay him and take his money and cook his flesh and give it to the folk to eat. So he said to him, 'O youth, wilt thou that I release thee from this thy plight, on condition that thou be reasonable and discover not aught of thine affair ever?' And Selim answered, 'I will swear to thee by whatsoever oath thou chooseth that I will keep thy secret and will not speak one syllable against thy due, what while I abide on life.' Quoth the cook, 'I purpose to send thee forth with my brother and cause thee travel with him on the sea, on condition that thou be unto him a boughten slave; and when he cometh to the land of Hind, he shall sell thee and thus wilt thou be delivered from prison and slaughter.' And Selim said, 'It is well: be it as thou sayst, may God the Most High requite thee with good!'. THE TWO KINGS AND THE VIZIER'S DAUGHTERS. (154). The Fourth Night of the Month..? ? ? ? ? Then sent I speech to thee in verses such as burn The heart; reproach therein was none nor yet unright; When it was eventide, the king summoned the vizier and bade him tell the [promised] story, "Harkening and obedience," answered he. "Know, O king, that A fair one, to idolaters if she herself should show, iii. 10..93. The Ignorant Man who set up for a Schoolmaster cccci. Vizier Er Rehwan, King Shah Bekht and his, i. 215.. So the old woman returned to the lover and said to him, "I have skilfully contrived the affair for thee with her; [and now it behoveth us to amend that we have marred]. So go now and sit with the draper and bespeak him of the turban-cloth, [saying, 'The turban-cloth I bought of thee I chanced to burn in two places; so I gave it to a certain old woman, to get mended, and she took it and went away, and I know not her dwelling-place.] When thou seest me pass by, rise and lay hold of me [and demand of me the turban-cloth], to the intent that I may amend her case with her husband and that thou mayst be even with her." So he repaired to the draper's shop and sat down by him and said to him, "Thou knowest the turban-cloth I bought of thee?" "Yes," answered the draper, and the other

said, "Knowest thou what is come of it?" "No," replied the husband, and the youth said, "After I bought it of thee, I fumigated myself (58) and it befell that the turban-cloth was burnt in two places. So I gave it to a woman, whose son, they said, was a fine-drawer, and she took it and went away with it; and I know not her abiding-place." When the draper heard this, he misdoubted him [of having wrongly suspected his wife] and marvelled at the story of the turban-cloth, and his mind was set at ease concerning her..15.
