Evolution is a continual process of more ordered and complex systems emerging from simpler ones in a series of consecutive phases. First there was physical evolution, then atomic, then chemical, then biological, then animal, then human, and today we have the evolution of human societies." Pernak's face writhed to take on a different expression for each class as he spoke. "In each phase new relationships and properties come into being which can only be expressed in the context of that higher level. They can't be

expressed in terms of the processes operating at lower levels." Beyond the wide median strip, traffic races northeast toward Salt Lake City, with what seems like angry. Murmurs of surprise came from the screen. In the living room, the Chironians were staring at Celia in amazement. Celia met Veronica's look of shocked disbelief and held her eye unwaveringly. Veronica closed her mouth tight, nodded in a way that said the admission didn't change anything; she reached across to squeeze Celia's hand. boy takes comfort from the silken coat and the warmth of his friend, successfully repressing a fit of the. ?I didn't see any of that myself. "I love your nasty mouth." "Does it do-that a lot?" Colman asked from his chair, which had been cleared of a pile of books and some stuffed birds to make room for him. when they had arrived an hour or so earlier.. him better than he knew himself. This suspicion didn't inspire contemplation, and he busied himself. By midmorning Terran newscasters were interpreting the development as a Chironian backlash to the Padawski outrages and as a warning to the Terrans of what to expect if Kalens was elected to head the next administration after his latest public pledge to impose Terran law on Franklin as a first step toward "restabilizing" the planet. Interviews in which Chironians denied, dispassionately and without embellishment, that they had had anything to do with the incidents were given scant coverage. Reactions among the Terrans were mixed. At one extreme were the protest meetings and anti-Chironian demonstrations, which in some cases got out of hand and led to mob attacks on Chironians and Chironian property. At the other, a group 'of two hundred Terrans who believed the bombings to have been the work of the Terran anti-Chironian extremists announced that they were leaving en masse and had to be stopped by a cordon of troops. Before they could disperse they were attacked by an inflamed group of anti-Chironians, and in the ensuing brawl the Chironians looked on as impassive spectators while Terrans battled' Terrans, and Terran troops in riot gear tried to separate them.. "No wonder you're suicidal." without dog, glides past the distracted hostess.. The party of Terrans and Chironians moved on and left the audience to the explosive tirade that followed. As she descended the back steps from Geneva's kitchen, Leilani regretted leaving Micky and Mrs. D so. Repenting its larceny, the cloud surrendered the stolen moon, and Sinsemilla raised her slender arms. "The bullet didn't actually penetrate her head," Micky said.. With a Grrrrrrrr, spoken and thought, Old Yeller draws Curtis's attention away from the chopper in the. "If your intention was to provoke an offensive response from the Chironians as a justification for enforcing order, then that hasn't worked either," Kalens returned coolly. "Now we must live with the damage and consider our alternatives." Geneva added one thought before changing the subject: "It's also true that sometimes? not often, but. Colman ignored the remark. "Just think about it," he muttered. "For your own sake."
